## PERMIT MODIFICATION REQUEST SEQUENCE OF EVENTS

### 1. CURRENT ACTIVITIES CONDUCTED BY THE U.S. ARMY AND BECHTEL

- **Dec. 1, 2006:** Submitted permit modification request to the Colorado Department of Public Health and Environment.
- **Dec. 7, 2006:** Published newspaper notice, notified mailing list and placed copies of the permit modification request in public reading rooms. This began a 60-day comment period.
- • **Jan. 9-10-11, 2007:** Hold public meetings.
- **Feb. 5, 2007:** Written public comments due to state health department.

### 2. FUTURE ACTIVITIES CONDUCTED BY THE STATE HEALTH DEPARTMENT

After the conclusion of the 60-day comment period, the state health department will continue to review the permit modification request for completeness and technical adequacy. Once the request is complete, the state health department may prepare a draft permit for the modification request which will then be provided to the public for comment as follows:

- Issue public notice of the draft permit modification or intent to deny the modification;
- Prepare a fact sheet or statement of basis;
- Announce a 45-day public comment period;
- Hold a public hearing, if requested, with a 30-day advance notice;
- Consider and respond to all significant written and oral comments received during the 45-day comment period; and
- Issue a notice of the final decision to grant or deny the draft permit.
- The state health department must consider and respond to all significant written comments received during the modification request 60-day comment period.

**Written comments regarding this permit modification request must be submitted to:**
